6. CO's MESSAGE

Good day Team,

As we step into the month of May, we have the opportunity to celebrate two deeply meaningful occasions: Asian Heritage Month and Mother's Day.

Asian Heritage Month is a time to reflect on the remarkable contributions of Canadians of Asian descent to our country's history, growth, and cultural fabric. From science and the arts to business, leadership, and service in the Canadian Armed Forces, Asian Canadians have shaped and continue to shape our communities with pride, resilience, and excellence. I encourage each of you to learn, engage, and appreciate the rich diversity of Asian cultures and histories this month. Understanding and respecting different perspectives is a core value of leadership and a strength within our corps.

Mother's Day, celebrated this year on May 11th, reminds us of the importance of family, gratitude, and service to others. Whether we honor mothers, grandmothers, guardians, or other important figures in our lives, this is a moment to recognize the sacrifices they make and the values they instill many of which we carry with us into our cadet duties and beyond.

Let May be a month of respect, reflection, and recognition. I challenge each of you to take time to acknowledge those who inspire you whether through culture, heritage, or care and to lead with the values that make us stronger as individuals and as a team.

Carry yourselves with pride and continue to aim high.
